Opening Doors

THE OAKVILLE, MILTON AND DISTRICT REAL ESTATE BOARD
MEMBER BENEFITS PACKAGE

We're Opening Doors, not building walls.

Read how OMDREB & our Members - and others around the Golden Horseshoe and beyond - are Opening Doors to what was never thought possible before in real estate.

OMDREB exists to help
REALTORS® acquire resources,
market effectively, and achieve
their real estate goals.

REALTORS® across the province have been hungry to develop new ways to serve their clients to the best of their ability. Now more than ever, it is extremely important to work together in order to find these solutions. OMDREB is here to start “Opening Doors” for Members - existing and new - and not build walls. Ultimately, this is the value that OMDREB strives to provide and maintain.

We're Opening Doors to...

Collaboration.

It goes without saying that our industry is continuing to experience significant changes, many as the result of advances in technology. One of the Board's biggest accomplishments is the OMDREB-TREB agreement to swap MLS® data for properties located in the Halton Hills, Milton and Oakville areas listed by Members of either Board. This arrangement is a win-win not only for Members of OMDREB and TREB, but also for our Members' clients.

One of the most impactful collaborative efforts for our Members is OMDREB's participation in ORTIS, our regional Matrix collaboration involving 10 associations, plus the data share with the REALTORS® Association of Hamilton-Burlington. Our colleagues to the west and north created a similar regional Matrix system in the Ontario Collective (the OC). ORTIS and the OC have agreed that free reciprocal access to each regional system will be provided to our respective Members via IntraMatrix. In addition, recently the two groups have signed a Transition Agreement to blend their two separate systems into one common shared regional MLS® System. They are now developing a new single corporate entity to manage the services to all 22 associations.

Outside of technology, OMDREB's Government Relations Committee worked closely with The Town of Oakville to participate in the consultation process related to revisions to the Sign By-Law, specifically REALTOR® Open House signage and increasing the amount of allowed signs from three (3) to five (5).

About the Ontario Collective™ (OC): The OC is comprised of Bancroft and Area Association of REALTORS®, Kawartha Lakes Real Estate Association Inc., London and St. Thomas Association of REALTORS®, North Bay Real Estate Board, Northumberland Hills Association of REALTORS®, Peterborough and The Kawarthas Association of REALTORS®, Quinte & District Association of REALTORS® Inc., REALTORS® Association of Grey Bruce Owen Sound, Southern Georgian Bay Association of REALTORS®, The Lakelands Association of REALTORS®, Tillsonburg District Real Estate Board and Woodstock-Ingersoll and District Real Estate Board.
